## Certificate of Analysis

Report No. RQ250806001

|                  |                 |               |               |
|------------------|-----------------|---------------|---------------|
| Product Name     | SARS-CoV-2 Test |               |               |
| Catalog No.      | CoV2-10         | Specification | 10 tests/ box |
| Lot No.          | S010F801        |               |               |
| Manufacture Date | 2025-08-05      | Expiry Date   | 2026-08-04    |

### QC Test Results:

|                                       |   |             |
|---------------------------------------|---|-------------|
| Test Document                         | FlashDx SARS-CoV-2 Test Quality Control Specification   |             |
| Test Sampling Amount                  | 10 Tests  |             |
| Test Item                             | Test Criteria   | Test Result |
| Appearance                            | All components of the cartridge are complete and intact. The package label shall be clear and no wear. The aluminum foil bag containing the cartridge is sealed without damage. | Pass        |
| Compliance rate of positive reference | The testing results of positive references shall be all positive for the corresponding assay tests.   | Pass        |
| Compliance rate of negative reference | The testing results of negative references shall be negative for all assay tests. Internal control is valid, $Ct \leq 35$   | Pass        |
| Limit of Detection (LoD)              | The testing results of LoD reference shall be positive for corresponding assay tests.   | Pass        |
| Overall Test Conclusion               |    |             |
